Activities

Maitland Gaol is one of NSW premier heritage listed sites and attracts visitors from all over the world. For our excursion Junior Sleuths will take a mini tour of the Gaol before learning how to dust for fingerprints. Children will learn when fingerprinting was introduced and what Gaol's had to do with fingerprinting. Once they've caught the perp, we'll process their fingers as a special souvenir to take home.

My Time Our Place Learning Outcome 4: Children use a range of skills and processes such as problem solving, inquiry, experimentation, hypothesising, researching and investigating.

I give permission for my child _____ to take part in the following activity:
"Vacation Care visit to Maitland Gaol Junior Sleuth Fingerprinting" at John Street, East Maitland between 10.00am and 4pm on Thursday 18th July 2019.

I understand that my child will travel on one of the Cessnock Multipurpose Children's Centre transport vehicles accompanied by expert educators Lauren, Virginia, Molly and Joab.
